16 **PARTIES**

17 1. Complainant brings this Statement of Issues solely in her official capacity as the  
18 Executive Officer of the Board of Registered Nursing ("Board"), Department of Consumer  
19 Affairs.

20 2. On or about November 22, 2011, the Board received an Application for Licensure by

23 representations in the application. The Board denied Respondent's application on  
24 February 13, 2012.

25 **JURISDICTION**

26 3. Pursuant to Business and Professions Code ("Code") section 485(b), on or about  
27 February 13, 2012, Respondent's application was denied and she was notified of the right to a  
28 hearing to appeal the denial.

1           4.     On or about February 14, 2012, the Board received Respondent's request for a  
2 hearing to appeal the denial of her application.

3                                   **STATUTORY PROVISIONS**

4           5.     Code section 2736 provides, in pertinent part, that the Board may deny a license when  
5 it finds that the applicant has committed any acts constituting grounds for denial of licensure  
6 under Code section 480.

7           6.     Code section 2761 states, in pertinent part:

8                   The board may take disciplinary action against a certified or licensed nurse or  
9 deny an application for a certificate or license for the following:

10                   (f) Conviction of a felony or of any offense substantially related to the  
11 qualifications, functions, and duties of a registered nurse, in which event the record of  
the conviction shall be conclusive evidence thereof.

12           7.     Code section 480 states, in pertinent part:

13                   (a) A board may deny a license regulated by this code on the grounds that the  
applicant has one of the following:

14                   (1) Been convicted of a crime. A conviction within the meaning of this section  
15 means a plea or verdict of guilty or a conviction following a plea of nolo contendere.  
Any action that a board is permitted to take following the establishment of a  
16 conviction may be taken when the time for appeal has elapsed, or the judgment of  
conviction has been affirmed on appeal, or when an order granting probation is made  
17 suspending the imposition of sentence, irrespective of a subsequent order under the  
provisions of Section 1203.4 of the Penal Code.

18                   (3)(A) Done any act that if done by a licentiate of the business or profession in  
19 question, would be grounds for suspension or revocation of license.

20                   (B) The board may deny a license pursuant to this subdivision only if the crime  
or act is substantially related to the qualifications, functions, or duties of the business  
21 or profession for which application is made.

22                                   **FIRST CAUSE FOR DENIAL OF APPLICATION**

23                                   **(Conviction of a Crime)**

24           8.     Respondent's application is subject to denial under Code sections 480(a)(1) and  
25 2761(f), in that on or about June 15, 2004, in the case of *People v. Niki Ann Huffman*, (Super. Ct.  
26 Stanislaus County, Case No. 1075661), Respondent was convicted by the Court on her plea of  
27 guilty of violating Vehicle Code section 2001 (hit and run with injury), a misdemeanor. The  
28 crime is substantially related to the qualifications, functions or duties of a licensed registered

1 nurse. The circumstances of the crime were that on or about May 17, 2004, Respondent drove a  
2 vehicle and was involved in an accident, resulting in injuries to GC and DC. Respondent failed,  
3 neglected, and refused to stop immediately, and then neglected and refused to render reasonable  
4 assistance to the injured persons who were in need of assistance due to said accident.

5 **SECOND CAUSE FOR DENIAL OF APPLICATION**

6 **(Committed Acts Which If Done By A Licentiate)**

7 9. Respondent's application is subject to denial under Code section 480(a)(3)(A), in that  
8 she committed acts which if done by a licentiate of the profession would constitute grounds for  
9 discipline under Code section 2761(f) (conviction of a crime substantially related to the  
10 qualifications, functions or duties of a license holder), as more particularly set forth above in  
11 paragraph 8, above.

RE: LETTER OF PUBLIC REPROVAL  
In the Matter of the Statement of Issues Against:  
Niki Ann Huffman, Registered Nurse License No. TBD

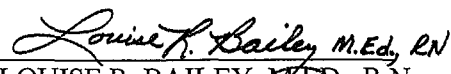

Dear Ms. Huffman:

On August 9, 2012, the Board of Registered Nursing, Department of Consumer Affairs, State of California, filed Statement of Issues 2013-109 in response to your request to appeal the Board's denial of your application for a Registered Nurse License. The Statement of Issues alleged that your application is subject to denial under Business and Professions Code sections 480, subdivision (a)(1) and 2761, subdivision (f), in that on June 15, 2004, you sustained a criminal conviction for violating Vehicle Code section 2001 (hit and run with injury), a misdemeanor. This is a crime that is substantially related to the qualifications, functions, and duties of a registered nurse. The same underlying facts support the denial of your application on the grounds you committed acts which if done by a licensee of the nursing profession would constitute grounds for discipline under Business and Professions Code section 480, subdivision (a)(3)(A).

Taking into consideration the fact that your crime occurred more than eight years ago, you have completed the court-ordered probation, and you have had no prior or subsequent convictions, it appears to be an isolated incident. You have completed your Modesto Junior College Associate Degree Nursing Program and have submitted letters of reference from two instructors who attest to your satisfactory completion of course work. There are other mitigating circumstances in this case that support the determination that you are safe to practice as a Registered Nurse; therefore, the Board has decided that the charges against you warrant a public reproof.

Accordingly, in resolution of this matter under the authority provided under Business and Professions Code section 495, the Board of Registered Nursing, Department of Consumer Affairs issues this letter of public reproof.

Sincerely,

  
LOUISE R. BAILEY, M.ED., R.N.  
Executive Officer  
Board of Registered Nursing  
Department of Consumer Affairs  
State of California
